2021 CHEVALIER DE LA CRÉE CHABLIS CHARDONNAY

VINEYARD NOTES

No other region matches the legendary winemaking legacy of Burgundy, where many of the vineyards were established by 12th century knights returning from the crusades. These elite Knights Templar swore a vow to never retreat or surrender, and that spirit is reflected in this wine's unrelenting focus on quality, which offers a pure and authentic expression of Burgundy. The vineyards of Chablis have grapes sourced from a vineyard near Chablis on soils of marl rich with limestone and fossils. The wine yields a refreshing minerality with citrus and floral notes.

TASTING NOTES

The 2021 Chevalier de la Créé, Chablis Chardonnay offers a nose with subtle barrel notes, highlighting fresh flinty tones and a delicate honey essence. Prickly pear aromas mingle with hints of stonefruit. On the palate, the wine presents a sweetness with honey nuances persisting alongside a velvety texture and a subtle interplay of salinity, sweet pea, and lemongrass. Finishing with a crispness that complements the earlier sweetness, resulting in a harmonious conclusion.
