

2023

Sauvignon Blanc

THE STORY OF SAUV BLANC

The 2023 Sauvignon Blanc offers a bright, refreshing profile that transports you to a tropical escape. Bursting with lively citrus and exotic fruit aromas, this wine delivers vibrant flavors that are crisp, juicy, and endlessly refreshing. Its light, fruit-forward character makes it the perfect companion for sunny afternoons, patio sipping, and moments of pure relaxation.

VINEYARD

Located in the heart of the Yakima Valley, providing a very unique location especially for this varietal. The cliffs and Yakima River shelter the site from high summer temperatures and allows for an extended ripening phase providing a deep full flavor profile while maintaining freshness. This soil type is primarily silt loam-based soils on top of fractured basalt. The elevation of the site is about 850 feet, creating a zesty and vibrant character.
