

DOMAINE SERENE

DOMAINE SERENE NV 'r' ROSÉ v. XVII

WINE NOTES

'r' is a nuanced, dry-style rosé artfully blended to achieve a graceful balance of freshness and richness along with an array of exotic fruit characteristics. This intentional blend delivers aromatic complexity, flavor intensity, and textural balance. Crafting our 'r' rosé is a delicate process that takes years and requires careful attention to detail. It is our most challenging blend to produce, reflecting the intention and expertise behind its creation.

TASTING NOTES

Our 17th version of the Domaine Serene Multi-Vintage 'r' Rosé opens with expressive, flowery aromatics and bright notes of fresh strawberry, balanced by a distinct mineral undertone. The palate offers a medium body with satisfying weight and depth, a true a leading into a wonderfully long finish. This complexity is a true hallmark of its multi-vintage craft. Pair this vibrant rosé with a refreshing watermelon summer salad, or a strawberry spinach salad with white cheddar cheese and walnuts.
