

MV  
DOMAINE SERENE  
*"r" Rosé v. XI*

'r' Rosé version XI is an opulent dry wine that achieves a graceful balance of bright freshness and complexity upon release. Using grapes from our prestigious vineyards, we artfully blend to obtain elegance while focusing on expressive aromatics and vibrant fruit flavors. 'r' Rosé is not vintage specific. Rather, it is a Rosé built to evolve and enhance throughout the year by using prior vintage barrel-aged wines that provide rich and round characters on the palate.

Heady aromas of apple blossom spring from the glass while flavors of citrus and watermelon envelope the palate. Dry, with crisp, focused edges, the mid-palate is round and inviting. The finish is long and expressive with cranberry and fresh strawberry notes that seem to last forever.

*Technical Data*
