DOMAINE SERENE
"r" Rosé v. XIII

'r' Rosé version XIII is an opulent dry wine that achieves a graceful balance of bright freshness and complexity upon release. 'r' Rosé is not vintage specific. Rather, it is a Rosé built to evolve and enhance throughout the year by using neutral barrel-aged wines from prior vintages that provide rich and round characters on the palate.

'r' Rosé version XIII reveals a lush pale-rose hue, with exotic aromas of kiwi, strawberry, hibiscus, and freshly cut pineapple on the nose. Fresh and vibrant, this rosé enfolds the palate with a soft texture reminiscent of panna cotta, focused minerality and balanced acidity that leads to a soft, lingering finish.
