

DOMAINE SERENE  
*Evenstad Reserve*  
Dundee Hills Brut Rosé M.V. 1

The debut bottling of Domaine Serene's Evenstad Reserve Dundee Hills Brut Rosé Multi-Vintage Sparkling Wine has arrived. Crafted according to the Méthode Champenoise process, the vineyards from which this wine is sourced are designated exclusively for sparkling wine production. To make this wine, our team meticulously blends the vineyard blocks which will best showcase the desired floral and red fruit qualities to create an unrivaled Oregon Brut Rosé. A portion of reserve wine added to the blend increases complexity, longevity and sheer drinking pleasure in this exquisite multi-vintage sparkling wine.

Our Brut Rosé M.V. 1 glitters in the glass, pale pink accented with a shimmer of copper. The nose is complex, first offering lavender and lilac, then unfolding to reveal strawberries and cream with hints of white chocolate. Displaying a gorgeous tension between its luscious mousse and vibrant acidity, the palate dances with plum seltzer and raspberry tart. With a rounded mouthfeel and long finish, this is an astounding inaugural release.

*Technical Data*
