

DOMAINE SERENE
Evenstad Reserve
Dundee Hills Brut Rosé M.V. 3

Confident in the knowledge we have gleaned from our vineyards over several decades, a select few parcels are earmarked to grow exclusively for our sparkling wines. We believe directing each vine's strengths with a purpose toward specific wines, allows us to continue improving with each release.

The third chapter in our Multi-Vintage Brut Rose is no different – a wine with stunning personality. The aroma of wild strawberry flowers brings you right to the rim of the glass. Deep red currant plays exquisitely with just enough rhubarb and the perfect tartness of dried strawberries. The acidity shows nicely on the finish of this incredibly fun yet dignified third edition.
